

HENRY ALLEN NURSERY AUTUMN 2 NEWSLETTER

NOVEMBER 2025

Our busy term!

A really busy first half term, we welcomed lots of new families to Henry Allen and everyone has settled in well!

Autumn Trail

Thank you to all our families who supported our PTA and came to our Saturday Autumn trail. Mrs Turner created some lovely activities and everyone had a wonderful time!

Diwali Celebrations!

We welcomed Mrs Kirren and Akshaya's mummy to the nursery who shared their Diwali celebrations with our children.

Pumpkins!

Lots of playing and exploring with the pumpkins; we've been painting, rolling, washing and reading about pumpkins. We even made pumpkin soup!

Thank you so much to our wonderful PTA for organising the cake sale last week...and thanks to your support they raised £107!

Reminders

We are so lucky to have extra activities happening in nursery, but we can only continue to do this with your voluntary contributions. We have a weekly playball session run by Emma, and we are welcoming Feathers and Furs in next week, with their owls! We also provide a daily snack for every child and like every school nowadays, we are struggling financially. Please pay via the School Gateway app or pop into the office.

Playball is charged at £25 a term for children in Squirrels and Hedgehogs who attend on a Wednesday, and we suggest a termly donation of £25 to our school fund to subsidise snack/ some activities/equipment for all children

Our new building update

The demolition of the old Warren building is now complete and the staff have worked really hard to get the garden ready for children again.

We have chosen our new building and, subject to planning permission, we hope to have our new garden room in the new year.

We are very lucky to have received a grant from Bucks Early Years, but we are still short of our target. Please have a look at the link below to our GoFundMe page and also try to remember to vote for us in Tesco. If you have any match funding through work, please consider putting us forward.

Many thanks!
